Extent of Interest

The extent of Eli Lilly and Company's interest is in the whole of this invention.

Disclaimer

I hereby disclaim the terminal part of any patent granted on this application, which would extend beyond the expiration date of: United States Patent No. 6,458,811 and hereby agree that any patent granted on this application shall be enforceable only for and during such period that the legal title to the patent shall be the same as the legal title to United States Patent No. 6,458,811.

I do not disclaim any terminal part of any patent granted on this application prior to the expiration date of the full statutory term of United States Patent No. 6,458,811 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321, has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its full statutory term other than as presently shortened by any terminal disclaimer.

I do not disclaim any term of a patent granted on this application that extends beyond the term of United States Patent No. 6,458,811 in the event that the patent granted on this application is adjusted or extended under any of 35 U.S.C. §§154-156.
